SCHEDULE 'A'

Appeals to the Secretary of State

The applicant may appeal to the Secretary of State if he or she is aggrieved by the decision of the local planning authority in respect of:

- (1) Refusal of a planning, listed building consent or conservation area consent application, including refusal to vary or discharge conditions.
- (2) The conditions attached to a planning, listed building consent or conservation area consent application.
- (3) Refusal, partial refusal or deemed refusal of a lawful development certificate.

The correct form must be used to appeal – Planning; Householder Planning; Listed Building Consent; Conservation Area Consent or Certificate of Lawful Use or Development Appeal Forms. Please specify form required, if requesting from Inspectorate. The time period to do this will vary depending on the application type or development type. An appeal must be made within the following time periods of the decision date:

- (1) An advertisement application must be made within 8 weeks
- (2) A full application, removal or variation of condition for a householder* development must be made within 12 weeks. (See below for definition of householder)
- (3) All other application types or development types must be made within 6 months

However, different timescales apply where the development is also the subject of an enforcement notice. If an enforcement notice has been served within two years of an application being submitted or is served before the time period for determining the application has expired, the time limit to appeal is 28 days from date of refusal or the date of determination. If an enforcement notice is served after the application's decision date or date for determination, the time limit is 28 days from the enforcement notice served date, unless this would extend the period beyond the usual time limit for cases not involving an enforcement notice.

- The Secretary of State can allow a longer period for giving notice of an appeal but he/she will not normally be prepared to use this power unless there are special circumstances which excuse the delay. Appeals must be made on a form obtainable from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at www.planningportal.gov.uk/pcs.
- The Secretary of State need not consider an appeal if it seems to him/her that the local planning authority would not have been able to have granted planning permission for the development or would not have been able to have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practise, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him/her.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim he can neither put the land to a reasonably beneficial use in its existing state, nor render the land capable of a reasonably beneficial use, either carrying out any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his/her interest in the land, in accordance with the provisions of Part V1 of the Town and Country Planning Act 1990.

*For the purposes of an appeal, a householder development is development in the boundary of, or to an existing dwellinghouse for purposes incidental to the enjoyment of the dwellinghouse, that does not involve change of use or a change to the number of dwellings. Please note, this does not include development in the boundary of, or to an existing flat or maisonette.
